Meet Our Senior Lifestyle Counselor STEPHANIE WARREN

Senior Lifestyle Counselor, Stephanie Warren, is a proven leader and 30-year professional whose career spans multiple disciplines. She earned a Bachelor's Degree in Education from Wichita State University and a Masters in Communication from Central Missouri State before moving to Los Angeles, where she spent 23 years working in the film industry, real estate, sales and marketing roles, and leading the Calabasas Chamber of Commerce for 8 years.

Her mother's declining health brought her back to Wichita in 2012, and there began a journey which gave Stephanie a unique knowledge and understanding of how seniors and families must utilize available resources to navigate these often-challenging lifestyle transitions.

Following her own experiences, Stephanie worked with seniors and families at two, Wichita-based communities before returning to her beloved Kansas City, and today, is as dedicated as ever while helping area seniors realize the many joys of maintenance-free living here at The Welstone.
